

Self-Serve Dog Wash Policy

This policy applies to all dogs and dog owners utilizing the Self-Serve Dog Wash facilities at Jagger's Doggie Daycare LLC. This policy is designed to create a safe and harmonious environment for all dogs.

Procedure:

All dog owners are to follow the instructions of daycare personnel on the proper operation of the walk-in tub and the water controls. Each person will be given a pre-measured amount of shampoo to bathe their dog, in addition to an apron and a towel. The water controls are clearly marked red for "hot" water and blue for "cold" water. Each dog owner assumes the responsibility for maintaining proper water temperature for their dog during the bathing process. Each dog owner is also responsible for the safe entry and exit to and from the tub using the ramp or other means.

Use of the variable speed blow dryer unit is only available as an extra charge. It is understood that the standard dog wash only includes the ability to towel dry your dog. Please be aware of the inherent risks to dogs and to dog owners while using the self-serve dog wash.

These risks include but are not limited to:

- Water in the nose and lungs
- Shampoo in the eyes and ears
- Injuries caused by hot water temperature
- Injury due to slipping on the ramp, the floor, or inside the tub
- Bites from your dog or a daycare dog within the facility

WAIVER, ASSUMPTION OF RISK AND AGREEMENT TO INDEMNIFY AND HOLD HARMELSS

I hereby waive and release Jagger's Doggie Daycare LLC, any employee or agents, and assistants, from any and all liability of any nature, for any injury or damage which me or my dog may suffer, including specifically, but not limited to, any injury or damage resulting from the action of any dog or use of the tub, ramp, water controls, blow dryer, tether, leash, gate, door, or any other equipment upon premises; and I expressly assume the risk of any such damage or injury to myself or my dog while my dog is on the grounds or the surrounding area of the daycare facility thereto.
